6. **FINGERPRINT CARD**. Complete the required fingerprint card and submit to the Board for processing. Only cards from the Board office are acceptable - **fee for processing - \$30.00. (Total fee to submit - \$109.00). Effective July 1, 2013, the Fingerprint Processing Fee will be increased to: \$42.00. You must complete and return the enclosed "NonCriminal Justice Applicant Privacy Statement" to the Board office before your license can be issued. To obtain and challenge your FBI Identification Record – go to: [www.fbi.gov/hq/cjisd/fprequest.htm](http://www.fbi.gov/hq/cjisd/fprequest.htm)

**TEMPORARY LICENSURE** (optional):

1. A temporary license, which allows you to be employed as a graduate practical nurse in Idaho, is available for an *additional* \$25.00 fee (**for a total licensure fee of \$100.00**). The temporary license may be issued after the completed licensure application, affidavit of graduation, and licensure fees are received. The temporary license is valid for 90 days, which will allow sufficient time to take the NCLEX and receive the results.

2. A Board of Nursing Rule requires that new graduates functioning on a temporary license work under the direct supervision of a registered nurse and not assume charge responsibilities. A graduate nurse working on a temporary license must use the title "Graduate Practical Nurse", abbreviated G.P.N.

Rule IDAPA 23.01.01.040.04.a. states that "an applicant who fails to pass the licensing examination [the first time] shall not be eligible for further temporary licensure". **The temporary license cannot be extended under any circumstances, and will be voided immediately if you do not pass the NCLEX.**

NOTE: Although a temporary license cannot be issued until a completed, notarized affidavit of graduation has been received from the school of nursing, you may submit your licensure application as early as you wish. In fact, submitting your application, fees, and fingerprint card early will expedite the issuance of your temporary license when the affidavit of graduation is received.

**NCLEX CANDIDATE BULLETIN** – You may contact the Board office to request an NCLEX Bulletin **or** access the form at [www.ncsbn.org](http://www.ncsbn.org) **or** by phone 1-866-496-2539 to register with Pearson VUE. **Do NOT send the NCLEX registration form and fee to the Idaho Board of Nursing. These materials must be sent directly to Pearson VUE.** After you register for NCLEX, you will receive written acknowledgment of your registration directly from Pearson VUE. Upon Board of Nursing approval of your eligibility, you will then receive an Authorization to Test (ATT) directly from Pearson VUE.

**The Authorization to Test is only valid for 90 days.** Therefore, if you do not intend to take the NCLEX within that time frame, you may not wish to register with Pearson VUE at this time. Please note, however, that the temporary license cannot be extended due to examination delays.

## RELEASE OF NATIONAL COUNCIL LICENSURE EXAMINATION RESULTS

Results of the National Council Licensure Examination (NCLEX) are generally mailed from the Board office directly to the examination candidate within ten days after testing.

Examination results may be acquired two business days after your examination date. Please contact:

## NURSE LICENSURE COMPACT

Under terms of the Nurse Licensure Compact, licensed practical and professional nurses (LPNs and RNs) may hold a license to practice in their state of primary residence which grants them the privilege to practice in all Compact states without holding separate licenses in those states. If your primary state of residence is one of the other Compact states, you may not apply for an Idaho license. In the event that you change your declared state of residence to Idaho, you may then apply for an Idaho license.

Please contact the Board of Nursing in your primary state of residence for licensure information:

Compact states are: Arizona, Arkansas, Colorado, Delaware, Iowa, Kentucky, Maine, Maryland, Mississippi, Missouri, Nebraska, New Hampshire, New Mexico, North Carolina, North Dakota, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, and Wisconsin. More information regarding the Nurse Licensure Compact is available on the National Council of State Boards of Nursing's web site at <http://www.ncsbn.org>

## MULTIPLE LICENSES

Administrative Rules of the Board of Nursing indicate that "a licensee may hold only one (1) renewable license to practice nursing at any time" (IDAPA 23.01.01.908)0. A nurse cannot hold a PN license and a RN license at the same time. Upon issuance of a RN license, the PN license will become void (inactive).

**PLEASE BE ADVISED:** Licensed professional nurses must renew their license(s) by August 31<sup>st</sup> of every odd-numbered year. Licensed practical nurses must renew their license by August 31<sup>st</sup> of every even-numbered year. A nurse who applies for licensure on or after March 1<sup>st</sup> of the year in which the license would ordinarily be renewed, will be issued a license valid until the next renewal period.

## Bureau of Criminal Identification

### NONCRIMINAL JUSTICE APPLICANT PRIVACY STATEMENT

As an applicant who is the subject of a national fingerprint-based criminal history record check for a non-criminal justice purpose you have certain rights which are discussed below.

This serves as notification from the Idaho Board of Nursing that your fingerprints will be used to check the criminal history records of the State of Idaho and the FBI and that those records will be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency or other authorized entity. The collection of applicant fingerprints in Idaho is authorized by Idaho Code §67-3008.

- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- Procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record, or decline to do so, before being denied the job, license, or other benefit based on information in the criminal history record.
- Disclosure of your Social Security number is voluntary and is solicited pursuant to the Federal Privacy Act and Idaho Code §67-3012 to aid the processing of an interstate background check request for noncriminal justice purposes allowed by federal statute, federal executive order or a state statute that has been approved by the attorney general.

The fingerprints and information reported from this request may be disclosed pursuant to your consent, and may also be disclosed by the FBI without your consent as permitted by the Federal Privacy Act of 1974 (5 USC 552a(h)). Routine uses include, but are not limited to, disclosures to appropriate governmental authorities responsible for civil or criminal law enforcement, counterintelligence, national security or public safety matters to which the information may be relevant; to State and local governmental agencies and nongovernmental entities or application processing as authorized by Federal and State legislation, executive order, or regulation, including employment, security, licensing, and adoption checks. Depending on the nature of your application, other authorities may include numerous Federal or State statutes pursuant to Public Law 92-544 or other authorized authorities.

According to Idaho state law and if agency policy permits, you may be provided a copy of your FBI criminal history record for review and possible challenge upon submission of a written request. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same website address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30-16.34) If a change, correction or update needs to be made to an Idaho criminal history record, that process information is available on the Idaho State Police website.

[http://www.isp.idaho.gov/identification/crime\\_history/FrequentlyAskedQuestions-CriminalRepository.html](http://www.isp.idaho.gov/identification/crime_history/FrequentlyAskedQuestions-CriminalRepository.html).

*Your signature below acknowledges this agency has informed you of your privacy rights for fingerprint-based background check requests used by the agency for non-criminal justice purposes.*

## FREQUENTLY ASKED QUESTIONS

### CAN YOU HOLD TWO LICENSES AT ONCE (LPN & GRADUATE NURSE TEMPORARY)?

You may hold a LPN license and Graduate Nurse Temporary license at the same time because Idaho Code states that a nurse may not hold two renewable licenses at the same time and a GN Temporary License is not a renewable license. When the renewable RN license is issued the LPN license will become void.

### WHY DOES THE APPLICATION HAVE TO BE NOTARIZED?

The affidavit on the 2nd page of the application must be notarized because this verifies that you are the person that has agreed to the statement above your signature. This signature may also be used by the Board if there is a question of fraudulent use of your license.

### WHY CAN'T TEMPORARY LICENSES BE ISSUED BEFORE THE AFFIDAVIT OF GRADUATION IS RECEIVED?

The Affidavit of Graduation verifies to the Board that you have completed the education required for licensure. All applicants for licensure must meet the required education requirements before the temporary license can be issued.

### HOW LONG DOES IT TAKE FOR TEMPORARY LICENSES TO BE ISSUED?

Temporary Licenses may be issued when the Board has received your completed application (all information including notarized signature), fee, and valid Affidavit of Graduation.

### CAN I GET VERIFICATION OF MY TEMPORARY LICENSE TO MY EMPLOYER?

You may request verification of your temporary license be faxed to your employer by contacting the Board office. Your employer may also contact the Board for a phone or printed verification.

### WHAT IS THE CENSUS QUESTIONNAIRE FOR?

The Census Questionnaire is for the Board to report certain statistical information. This information is reported annually to the Board. Ethnicity is optional and does not require a response.

### WHAT IS DIRECT SUPERVISION WITH REGARDS TO THE RESTRICTION ON A TEMPORARY GRADUATE LICENSE?

Direct Supervision, as stated in the Rules of the Board, requires the supervisor to be physically present and immediately accessible to designate or prescribe a course of action or to give procedural guidance, directions, and periodic evaluation.

### WHO SENDS OUT THE AUTHORIZATION TO TEST (ATT) NUMBER?

When the Board notifies Pearson VUE (the testing vendor) of your eligibility to test, Pearson VUE will send your ATT to the postal address and/or email address you provided when registering.

### IS A GRADUATE PRACTICAL NURSE/GRADUATE NURSE TEMPORARY LICENSE VALID IN ANOTHER STATE?

Idaho graduate temporary licenses are not valid in any other state. You may work only in Idaho on your graduate temporary license.

### HOW CLOSE DOES MY ID HAVE TO MATCH THE ATT LETTER?

Your first and last names must match exactly what the ATT letter states. Your middle name is not required and may be missing on one and stated on another-this is ok.

### HOW LONG UNTIL I WILL KNOW MY RESULTS OF THE NCLEX?

The Board of Nursing will notify you by mail within 7-10 days after taking the examination. Please do not call the Board for results as they CANNOT be released over the phone due to confidentiality and cannot be given to your employer over the phone. You may, however, call the Pearson VUE test results line at 1-900-776-2539 48 hours to learn if you passed.

### AFTER I PASS WHEN CAN MY EMPLOYER VERIFY MY LICENSE?

License numbers are not released by phone to newly licensed graduates or their employers until 10 days after the license is issued. Your employer may verify your license at anytime after it is issued by using our automated system (option 1) at 1-208-334-3110, or through the Boards website- [www.ibn.idaho.gov](http://www.ibn.idaho.gov) – click on “Search Licensee Database”.

### HOW SOON AFTER I GRADUATE UNTIL I WILL BE ABLE TO TAKE THE NCLEX?

When Pearson VUE sends your ATT, you will be able to schedule a test date using your ATT. Test dates are based on availability and depending how many other graduates are requesting to take the NCLEX at that time.
