The members of the Board of Nursing meet on a quarterly basis with the next meeting scheduled for February 5-6, 2009. This meeting will be held at the SpringHill Suites, 424 East ParkCenter Blvd, Boise, ID. Persons interested in attending this meeting and/or who require special accommodations, should contact the Board office at (208) 334-3110 ext 25. All meetings of the Board, except for executive sessions, are open to the public.

During each meeting, the Board holds an open forum for approximately one hour. Individuals are invited to express their concerns or make inquiries of the Board during the forum; however, interested persons should contact the Board office to confirm the time of the forum and to make arrangements for special assistance. Action will not be taken on issues presented during the forum. If there are no presentations during the forum, the Board will proceed with the conduct of regular business.

LPN Renewal of Licenses

The renewal period for licensed practical nurses (LPNs) was completed on August 31, 2008, with 3,144 nurses renewing their licenses prior to the expiration date. Late renewals will continue to be processed as received. Of the 3,977 renewal postcards mailed in June, 3,347 nurses renewed their license (on time and late renewals)—78% of them completed the on-line renewal application. Employers are encouraged to personally view the renewed license, utilize the Board’s Interactive Voice Response (IVR) System (call (208) 334-3110 – option 1–1), or the Board’s Website (www2.idaho.gov/ibn—Search Licensee Database), to verify current licensure. A faxed verification is available through the IVR or a printed verification is available from the web site. Each year a large number of renewal applications are returned to the Board office by the Post Office because of a change in address. Rule 23.01.01.008.02. requires the nurse to immediately notify the Board of any change in the licensee’s mailing address. Additionally, licensees who continue to practice nursing in Idaho without current licensure, may be assessed an administrative fine of up to $100 for each separate offense not to exceed $1000.00.

## Duplicate Licenses Issued

The following persons were issued duplicate licensure certificates during the period April 1, 2008 through September 30, 2008. Original certificates were reported as lost, stolen, never received in the mail or were re-issued because of a name change. Duplicates are identical to original certificates with the exception of the word “DUPLICATE” printed on the license. Please notify the Board of Nursing immediately should anyone present one of these certificates without the word “DUPLICATE” printed on the document.

Check Your Employee’s Licenses...use the Board’s IVR or Web Site

It is very important that an employed nurse possess a valid nursing license. Employers of nurses should be sure to verify every nurse’s license by personally validating the license by telephoning the Board’s Interactive Voice Response (IVR) System [208/334-3110—option 1—1, enter the social security number or license number of the nurse and receive information regarding the licensure status] or checking the Board’s Web Site—www2.idaho.gov/ibn—[link to Search Licensee Database and enter the nurse’s name]. A verification can be requested via FAX through the IVR or you can print a verification from the Web Site. A license may also be verified by contacting the Board office at 208/334-3110 ext. 21.

Please be aware that the IVR CANNOT verify temporary licenses for RNs, LPNs, or Advanced Practice Professional Nurses (CNM, CNS, NP or RNA), or renewable licenses for Advanced Practice Professional Nurses. You can check these licensees by dialing (208) 334-3110 extension 21.

License verification for RNs, LPNs, and APPNs is available on the web site.
