BEFORE THE BOARD OF NURSING

STATE OF IDAHO

In the Matter of the Application of
Juliann Gordon
License No. PN-7519,

ORDER GRANTING PETITION
FOR REINSTATEMENT OF LICENSE

RESPONDENT.

CASE 95-043

On April 21, 2006, Juliann Gneiting Gordon (Respondent) applied for reinstatement of licensure. The Idaho Board of Nursing (Board) reviewed her application on July 27, 2006. Following its review of the application, the matters on file with the Board, and the information submitted in support of the application, and good cause appearing therefore, the Board enters the following Order on Petition for Reinstatement.

FINDINGS OF FACT

1. Respondent was licensed as a practical nurse on November 22, 1982. She was issued license number PN-7519.
2. On October 18, 1994 Respondent pled guilty to Possession of a Controlled Substance – a felony.
3. The Board took disciplinary action against Respondent, based on non-response from Respondent in response to a Complaint issued August 4, 1995. A copy of the order entered by the Board on November 2, 1995 is attached hereto as Exhibit A.
5. During a regularly scheduled Board meeting on November 13, 2003, action was deferred pending notification of a hearing held by the Arizona Board of Nursing.
6. On January 27, 2004, Respondent entered into a consent agreement with the Arizona Board of Nursing. Respondent was placed on probation for twelve (12) months with conditions.
7. During a regularly scheduled Board meeting on January 29, 2004, action was taken to deny the request for reinstatement based on Respondent’s license in Arizona being on probation. Action was further taken to deny the privilege to practice in Idaho under the Nurse Licensure Compact.
8. On March 27, 2005, Respondent’s probation in Arizona was completed.
9. Subsequently on March 29, 2006, Respondent entered into an agreement for three years with the Nevada Board of Nursing. The Nevada Board took this action based on Respondents’ prior criminal convictions, and the previous action against her license by the Idaho and Arizona Boards of Nursing.
10. A review of the respondent’s application for reinstatement and subsequent inquiry into her qualifications for licensure revealed that Respondent had:
   a. Submitted a letter from Malcolm Channon, Probation and Parole Agent, Department of Corrections. Mr. Channon indicated that Ms. Gordon’s case did not merit probation or drug treatment and was closed.
   b. Information from the Arizona Board of Nursing that her license was active and in good standing.

CONCLUSIONS OF LAW

1. The facts as stated above fall within the regulatory jurisdiction of the Board as set forth in title 54, chapter 14, Idaho Code.

2. The Board has the power to refuse to reinstate a license, and may place on probation, reprimand, limit, restrict, condition or take other disciplinary action against the licensee upon the determination that the licensee engaged in conduct constituting grounds for discipline. Idaho Code Section 54-1413.

3. In considering applications for reinstatement, the Board evaluates the nature and severity of the act that resulted in revocation; the applicant’s subsequent conduct; the lapse of time since discipline; the degree of compliance with any terms and conditions that the Board imposed; intervening circumstances; degree of rehabilitation; applicant’s adherence to law and rule; and applicant’s criminal background. IDAPA 23.01.01.120.03.

4. The Board may issue a limited license to an applicant who has been the subject of a disciplinary action, if it finds the applicant qualifies for reinstatement. IDAPA 23.01.01.132.01.a.

5. Respondent’s license was the subject of disciplinary action, based on conduct constituting legal grounds for imposition of discipline, as set forth in the Attached Exhibit A.

6. Respondent has provided evidence of her satisfactory employment.

7. Respondent’s previous history of discipline by the Board constitutes grounds for the imposition of limits or conditions on her license to practice.

ORDER

NOW, THEREFORE, it is hereby ordered that:

1. Respondent’s petition for reinstatement is GRANTED, and
2. Respondent will be issued a single state license. Licensee’s privilege to practice in other Compact States on her Idaho license is denied.

ORDER GRANTING PETITION - 2
NOTICE OF APPEAL RIGHTS

This is a Final Order of the agency. Any party may file a motion for reconsideration of this Final Order within fourteen (14) days of the service date of this Order. The agency will dispose of the petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Idaho Code § 67-5246(4).

As set forth in section 54-1413, Idaho Code, and Board of Nursing Rule, IDAPA 23.01.01.165.01, you may petition for reconsideration of any final order of the Board upon the following grounds:

a. Newly discovered or newly available evidence relevant to the issues;
b. Error in the processing or Board decision that would be grounds for reversal or judicial review of the order;
c. Need for further consideration of the issues and the evidence in the public interest; or
d. A showing that issues not considered ought to be examined in order to properly dispose of the matter.

Pursuant to Idaho Code §§ 67-5270 and 67-5272, any party aggrieved by this Final Order or orders previously issued in this case may appeal this Final Order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

i. a hearing was held,
ii. the final agency action was taken,
iii. the party seeking review of the order resides or operates its principal place of business in Idaho, or
iv. the real property or personal property that was the subject of the agency action is located.

An appeal must be filed within twenty-eight (28) days (a) of the service date of this Final Order, (b) of an order denying petition for reconsideration, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration, whichever is later. See Idaho Code § 67-5273. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

DATED this 18th day of August, 2006.
