Idaho Board of Nursing – PO Box 83720 – Boise, Idaho 83720-0061 – (208) 334-3110
BEFORE THE BOARD OF NURSING

STATE OF IDAHO

In the Matter of the Application of:  )

CONNIE JO JONES  ) ORDER ON PETITION
License No.  PN-6791,  ) FOR REINSTATEMENT OF LICENSE
RESPONDENT.  ) CASE 02-037

On November 26, 2010, Respondent Connie Jo Jones (Respondent) applied for reinstatement of her nursing licensure. Her application for reinstatement was presented to the members of the Idaho Board of Nursing (Board) on January 27-28, 2011. Following its review of the application, the matters on file with the Board, and the information submitted in support of the application, and good cause appearing therefore, the Board enters the following Order on Petition for Reinstatement of License.

FINDINGS OF FACT

1. Respondent became licensed as a practical nurse on January 18, 1980. She was issued license number PN-6791.

2. On June 12, 2002, a complaint was received that Respondent had used an illegal substance and tested positive for amphetamine, barbiturates and benzodiazepines at her place of employment.

3. On June 24, 2002, Respondent voluntarily surrendered her nursing license, admitting to illegal drug use and enrolled in the Program for Recovering Nurses.

4. On March 31, 2003, a limited license with conditions was issued. The limited license was withdrawn on January 22, 2004 for on-going issues with non-compliance.

5. On December 2, 2004, a limited license with conditions was issued. The limited license was summarily suspended on July 7, 2008, for failure to submit required reports, failing to urine drug screen as required and testing positive for EtG on April 17, 2008.

6. On October 23, 2008, the Board issued Findings of Fact, Conclusions of Law and an Order revoking the Respondent’s practical nurse license.
7. During a regularly scheduled Board meeting on January 27-28, 2011, Respondent’s request for reinstatement of licensure was conditionally granted and a limited license for five (5) years was authorized.

CONCLUSIONS OF LAW

1. The facts as stated above fall within the regulatory jurisdiction of the Board as set forth in title 54, chapter 14, Idaho Code.

2. The Board has the power to refuse to reinstate a license, and may place on probation, reprimand, limit, restrict, condition or take other disciplinary action against the licensee upon the determination that the licensee engaged in conduct constituting grounds for discipline. Idaho Code Section 54-1413.

3. In considering applications for reinstatement, the Board evaluates the nature and severity of the act that resulted in revocation; the applicant’s subsequent conduct; the lapse of time since discipline; the degree of compliance with any terms and conditions that the Board imposed; intervening circumstances; degree of rehabilitation; applicant’s adherence to law and rule; and applicant’s criminal background. IDAPA 23.01.01.120.03.

4. The Board may issue a limited license to a qualified applicant who has been the subject of a disciplinary action. IDAPA 23.01.01.132.01.a.

5. Respondent’s license was the subject of disciplinary action, based on conduct constituting legal grounds for imposition of discipline.

6. Respondent has complied with all terms and conditions imposed by the Board, and has submitted documentation to support her on-going stability.

7. Respondent’s demonstration of meeting the Board’s requirements qualifies her for reinstatement of licensure; however, Respondent’s history of discipline by the Board constitutes grounds for the imposition of limits or conditions on her license to practice.

ORDER

NOW, THEREFORE, it is hereby ordered that Respondent’s petition for reinstatement is GRANTED, but only upon the following limitations and terms:

1. Respondent will be issued a conditional limited license for five (5) years, restricted solely to Idaho, following receipt of the required fee of $100.00, (IDAPA 23.01.01.901.04a), and subject to Respondent’s strict adherence to and compliance with each of the following conditions and limitations:

c. **Performance Evaluations**: Assure that employer(s) submits reports of performance evaluations at monthly intervals for twelve (12) months, then at quarterly intervals, directly to the Board.

d. **Urine Drug Screens**: Obtain and pay for random urine drug screens monthly for 15 months, then on quarterly intervals and upon Board request. f. **Reimburse Investigative Charges**: Reimburse the Board investigative charges in the amount of $1,350.00.

g. **Self-Evaluation Reports**: Submit self-evaluations at monthly intervals for twelve (12) months, then at quarterly intervals.

h. **12-Step Meeting Attendance**: Attend two-three (2-3) 12-Step meetings per week and submit signed cards monthly to confirm attendance.

i. **Sponsor Reports**: Request the 12-step sponsor to submit reports of progress at monthly intervals for twelve (12) months, then at quarterly intervals.

j. Have no access to narcotics for at least ninety (90) days following initial nursing employment. Approval must be granted by Board professional staff prior to access.

k. Abstain from the use of any controlled substance or other drugs with similar effect that are not prescribed. A copy of any prescription must be on file with the Board within 48 hours of the order.

l. Comply with all laws, rules, standards, policies and procedures pertaining to the practice of nursing.

m. May not accept employment as a nurse in another state without written authorization from the Idaho Board of Nursing and the Board of Nursing in the employment state, including any state party to the Nurse Licensure Compact.

---

2. **Additional Conditions**:

a. Should the limited license not be obtained within twelve (12) months of the issuance of this Order, the previously imposed discipline will remain in effect and Respondent must submit a new reinstatement application and supporting documents.

b. **Length of Monitoring**: The conditions of this limited license will remain in effect until there are five (5) years of documented continuous monitoring.
c. Activities that prevent full compliance with monitoring conditions, such as out-of-state travel, vacations, etc, must be approved ten (10) days in advance of the planned activity.

3. Reporting Requirements. All reports must be submitted to the Board of Nursing office by the 30th day of each month in which they are due. Further assure that any required reports to be submitted by others are submitted by the 30th of each month in which they are due.

IT IS FURTHER ORDERED, that any failure to strictly adhere to the foregoing conditions, including the submission of reports in a timely manner shall constitute grounds for the imposition of disciplinary action.

DATED this 3rd day of February, 2011.
