Dear Ms. Mahoney:

Since your two-year period of limited licensure will expire March 29, 2001, your file has been reviewed, particularly in relation to your compliance with the terms of limited licensure. The review confirms that you have been conscientious in seeing that required reports have been submitted in a timely manner, and the reports have affirmed your continuing progress.

Your renewable license will be issued upon return of the enclosed renewal application, $50.00 renewal fee (this fee must be in the form of a money order). The following reports will need to be received by March 27, 2001: performance evaluation, self-evaluation, AA/NA cards, and sponsor report. Additionally, NCPS must notify the Board that all balances have been paid in full. The renewal application should be received by March 27, 2001 to allow processing time.

Your success and your continuing progress are your own achievement. Our wish for you is that you will continue to make progress, a day at a time, for the remainder of your life.

Warmest congratulations from the Board of Nursing’s staff.

Sincerely,

VICKY GOETTSCHE, MBA, RN
Associate Director
