DARREL McMAHON
N-19274
LIMITED
NAME: DARREL MCMAHON RN: XX LPN: __
CASE NO: 91-12

COMPLAINT:
Prior Board action: 8/88-limited license issued-had had disciplinary action taken in three states for drug/alcohol problems; licenses had been reinstated. Was restricted to a practice site where there was another CRNA or anesthesiologist. Potential practice site could not provide this supervision so did not practice in Idaho. 8/8/89-limited license issued with modified conditions after meeting with the Board. 7/30/90 Renewable RN and RNA issued. 3/2/91-Order of Revocation of RN and RNA 2/2/92-limited license issued for two years with limitations-no access to narcotics, no anesthesia. 2/12/93-removed restriction of no access to narcotics and no anesthesia practice. Limited license expires 2/24/94. Has practiced as an RN but not as a CRNA. Reports have been timely and satisfactory. No problems or issues related to the handling of medications, including narcotics.

Board Action:
Authorized issuance of a renewable RN license.

Dear Mr. McMahon:

Following their meeting with you on February 12, 1993, the Board of Nursing members took action to remove the restrictions to your limited license of no access to or administration of narcotics and no nurse anesthetist responsibilities. The Board also determined that the following modifications will apply to your limited license if you have access to or administer narcotics or if you engage in nurse anesthesia practice:

1. Notify the Board of any change in practice responsibilities or practice setting.

2. Request immediate supervisor to submit performance reports monthly for six months, then quarterly.

3. Obtain random, supervised urine drug screens monthly, then randomly sometime during each quarter thereafter and upon Board request, and authorize the release of all reports to the Board of Nursing.

4. Submit self evaluation reports monthly for six months, then quarterly.

5. Request sponsor to submit reports of progress monthly for six months, then quarterly.

6. Continue to attend a minimum of three AA/NA meetings a week and submit cards monthly to confirm attendance.

7. Continue to abstain from all non-prescribed mood-altering chemicals and to comply with all requirements and rules for nursing practice.

Forms are enclosed for the submission of reports.
We are appreciative of the efforts you have expended toward recovery. Please contact me if you have any questions concerning the Board's determinations.

Sincerely,

LEOLA DANIELS, M.S., R.N.

Dear Mr. McMahon:

Following a review of your application for reinstatement of licensure and their meeting with you on February 20, 1992, the Board of Nursing members took action to issue you a limited license for two years with the following conditions:

1. Keep the Board informed of current address.
2. Keep the Board informed of the name(s) and address(es) of all employer(s).
3. Request immediate supervisor to submit performance reports monthly for six months, then quarterly.
4. Submit random urine drug screens monthly for six months, then upon Board of Nursing request.
5. Submit self-evaluations monthly for six months, then quarterly.
6. Attend AA/NA a minimum of three times a week and submit signed cards monthly to confirm attendance.
7. Continue with sponsor in AA/NA and request sponsor to submit reports monthly for six months, then quarterly.
8. Comply with all laws and rules and regulations pertinent to the practice of nursing.
9. Abstain from the use of all non-prescribed and non-medically necessary mood-altering chemicals.
10. No access to narcotics for one year.

You may apply for consideration for nurse anesthetist registration and administration of anesthesia after one year of registered nurse practice.

Your limited license is enclosed. Cards are enclosed to record attendance at AA/NA meetings. These cards must be submitted monthly. To preserve anonymity, you
should use the assigned code number **030**. Please indicate this number on all AA/NA cards and urine drug screens. Forms are also enclosed for performance evaluations, self evaluations, and sponsor reports. All reports should be submitted no later than the 30th of the month in which they are due.

Motivation to assume responsibility for the submission of reports is an important aspect of recovery. Therefore, no reminders will be sent by the Board of Nursing to notify you in advance when reports are due. It is expected that reports will be submitted in a *timely* manner.

Please contact me if you have any questions concerning the Limited License or the conditions.

Sincerely,
