Dear Mr. Petersen:

Since your three-year period of limited licensure will expire February 20, 2004, your file has been reviewed, particularly in relation to your compliance with the terms of limited licensure. The review confirms that you have been conscientious in seeing that required reports have been submitted in a timely manner, and the reports have affirmed your continuing progress.

Your renewable license will be issued upon return of the enclosed renewal application, $50.00 renewal fee and any reports that are still required. The renewal application should be received before February 15th, to allow processing time.

Your success and your continuing progress are your own achievement. Our wish for you is that you will continue to make progress, a day at a time, for the remainder of your life.

Warmest congratulations from the Board of Nursing’s staff.

Sincerely,

Sandra Evans, MAEd, RN
Executive Director
