Dear Ms. Sieber:

Following your meeting with the Board on August 2, 2001, the members of the Board of Nursing took action to deny your request for reinstatement of your practical nurse license at this time as they felt a longer period of time in recovery was necessary.

The Board will reconsider your request following a one-year time period at which time you will need to submit evidence of:

- Urine drug screens – conducted randomly over the one-year period
- Work with a sponsor during the one-year period
- Attendance at AA/NA meetings (minimum of 2 meetings per week)
- Stability with your bi-polar disorder by submission of an updated mental health evaluation

Please contact me if you have questions concerning the Board’s decision.

Sincerely,

SANDRA EVANS, MAE.d., R.N.
Executive Director

The Mission of the Board of Nursing is to regulate nursing practice and education for the purpose of safeguarding the public health, safety and welfare.
