BEFORE THE BOARD OF NURSING

STATE OF IDAHO

In the Matter of the Application of

Amy Williams
License No. PN-9717,

ORDER GRANTING PETITION
FOR REINSTATMENT OF LICENSE

RESPONDENT.

CASE 05-022

On June 25, 2007, Amy Williams (Respondent) applied for reinstatement of licensure. Her application for reinstatement was presented to the members of the Idaho Board of Nursing (Board) on July 23-24, 2007. Following its review of the application, the matters on file with the Board, and the information submitted in support of the application, and good cause appearing therefore, the Board enters the following Order on Petition for Reinstatement.

FINDINGS OF FACT

1. Respondent was licensed as a practical nurse on May 20, 1992. She was issued license number PN-9717.
2. On April 25, 2005, an Order of Summary Indefinite suspension was issued.
3. The Board took disciplinary action against Respondent, based on its conclusion that respondent had been telephoning controlled substance prescriptions for herself to at least seven area pharmacies without the knowledge or consent or authorization of the physicians practicing at the facility. A copy of the order entered by the Board on April 25, 2005 is attached hereto as Exhibit A.
4. Respondent failed to submit a written appeal or request for hearing regarding the decision of the Board.
5. During a regularly scheduled Board meeting on July 28, 2005, the Summary Suspension was affirmed and an Order of Revocation was issued. A copy of the order entered by the Board on July 28, 2005 is attached hereto as Exhibit B.
7. During a regularly scheduled Board meeting on July 24, 2007, Respondent’s request was granted and a limited license for one year was issued.
8. By letter of May 23, 2007, Respondent submitted a personal statement indicating that she did not attend a recovery program because she had not taken any pills in over two years.
10. By letter of June 18, 2007, a Certificate was received indicating the completion of an 8 hour Alcohol & Drug Awareness Class.

CONCLUSIONS OF LAW

1. The facts as stated above fall within the regulatory jurisdiction of the Board as set forth in title 54, chapter 14, Idaho Code.

2. The Board has the power to refuse to reinstate a license, and may place on probation, reprimand, limit, restrict, condition or take other disciplinary action against the licensee upon the determination that the licensee engaged in conduct constituting grounds for discipline. Idaho Code Section 54-1413.

3. In considering applications for reinstatement, the Board evaluates the nature and severity of the act that resulted in revocation; the applicant's subsequent conduct; the lapse of time since discipline; the degree of compliance with any terms and conditions that the Board imposed; intervening circumstances; degree of rehabilitation; applicant's adherence to law and rule; and applicant's criminal background. IDAPA 23.01.01.120.03.

4. The Board may issue a limited license to an applicant who has been the subject of a disciplinary action, if it finds the applicant qualifies for reinstatement. IDAPA 23.01.01.132.01.a.

5. Respondent's license was the subject of disciplinary action, based on conduct constituting legal grounds for imposition of discipline, as set forth in the Attached Exhibits A and B.

6. Respondent has provided evidence of completed Alcohol and Drug Education.

7. Respondent's previous history of discipline by the Board constitutes grounds for the imposition of limits or conditions on her license to practice.

ORDER

NOW, THEREFORE, it is hereby ordered that:

1. Respondent's petition for reinstatement is GRANTED, and
2. Respondent will be issued a LIMITED LICENSE, for a period of one (1) years, subject to Respondent's strict adherence to and compliance with each of the following conditions and limitations:

vi. Abstain from the use of all mind-altering and potentially addicting drugs and alcohol, unless medically authorized.

3. REPORTING REQUIREMENTS. All reports must be submitted to the Board of Nursing office by the 30th day of each month in which they are due. Further assure that any required reports to be submitted by others are submitted by the 30th of each month in which they are due.

4. EMPLOYMENT. Respondent may not be employed in any other state party to the Nurse Licensure Compact without having received written permission from that state.

IT IS FURTHER ORDERED, that any failure to strictly adhere to the foregoing conditions, including the submission of reports in a timely manner shall constitute grounds for the imposition of disciplinary action.

NOTICE OF APPEAL RIGHTS

This is a Final Order of the agency. Any party may file a motion for reconsideration of this Final Order within fourteen (14) days of the service date of this Order. The agency will dispose of the petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Idaho Code § 67-5246(4).

As set forth in section 54-1413, Idaho Code, and Board of Nursing Rule, IDAPA 23.01.01.165.01, you may petition for reconsideration of any final order of the Board upon the following grounds:

b. Error in the processing or Board decision that would be grounds for reversal or judicial review of the order;
c. Need for further consideration of the issues and the evidence in the public interest; or
d. A showing that issues not considered ought to be examined in order to properly dispose of the matter.

Pursuant to Idaho Code §§ 67-5270 and 67-5272, any party aggrieved by this Final Order or orders previously issued in this case may appeal this Final Order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

i. a hearing was held,
ii. the final agency action was taken,
iii. the party seeking review of the order resides or operates its principal place of business in Idaho, or
iv. the real property or personal property that was the subject of the agency action is located.

An appeal must be filed within twenty-eight (28) days (a) of the service date of this Final Order, (b) of an order denying petition for reconsideration, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration, whichever is later. See Idaho Code § 67-5273. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.
